2. CAMP ECHO – 4 WEEK SESSION (June 28 to July 25)

Camp Echo is a co-ed traditional sleepaway camp located about 90 minutes from NYC in the southern Catskills Mountains of NY State. For campers ages 7-15.

This is a quote from last year's successful bidder, Wendy Levine, PS 8 parent:

"Our daughter Zoe, now in 4th grade, was lucky enough to have attended Camp Echo for 3 weeks last summer. It was a marvelous experience for her... great counselors and staff, trapeze and horseback riding lessons, swimming in a beautiful lake and pool, making gorgeous arts and crafts, participating in evening celebrations, and much, much more. For parents, photos of camp activities are updated daily on their website. They serve healthy food (with occasional sugar thrown in). You have the ability to find out how your child is doing, and a nurse on-site at all times. I felt totally secure that my child would be taken care of during her stay and I wasn't in the least bit disappointed.

If any of you are thinking about sending your child to sleepaway camp this summer, this is a great opportunity to give him or her an amazing experience and raise money for PS8 at the same time. I encourage you to check out their website (Campecho.com) for an accurate portrayal of the camp. You can also feel free to email me at wilevine@aol.com and I'd be happy to answer any questions you may have. Good luck and happy bidding!"
